Dedication

LEWIS DALE MYERS

"Then came the cloud, the arrowy storm of war,
The fatal stroke, the wild and whizzing shot,
Seeking a victim"----

William Gilmore Simms

To the memory of one of our former classmates, who gave his life to help make this world a better place in which to live, we, the Seniors of 1946, dedicate our yearbook.

"Captain or Colonel"—whatever invocation suit
our hymn the best, no matter for thy station,—
On thy grave the rain shall fall from the eyes of
a mighty nation!
Long as the sun doth shine upon it
Shall glow the goodly pine upon it,
Long as the stars do gleam upon it
Shall Memory come to dream upon it."

Board of Education

The Board of Education is the main support and ruling body of Hughesville High School.

The efficient and well running organization which is our school is the result, in part of the conscientious efforts of our board members. Because of their interest in our behalf, the school curriculum has been broadened to include several courses of study.

To these civic minded citizens, who unselfishly devote much time to the promotion of our school program, we shall forever be indebted.

SENIORS OF 1946:

Nineteen hundred forty-six, the year of your graduation, is the first year of peace after World War II. Most of your high school days were spent while the entire world was engaged in terrible battle. Some former classmates are now veterans of that war and one has given his life to make this world a better place in which to live. Great as were your responsibilities during war days, equally great is your responsibility during peace.

You will find your high school diploma of inestimable value to you as you face the future. That diploma will admit, where those who have none, will be excluded; it will allow you to share with others, while those who have none, will be denied. Cherish the memory of your high school days and your diploma among your dearest possessions as a key that helps to unlock the unknown.

My continued good wishes for a successful future in the home, in the office, in the factory, on the farm, or in the services of your country go with each of you as you leave our high school for your individual fields of conquest.

Sincerely,

Harold L. Schaefer

Student Council

Organized six years ago "for the purpose of fostering better relations between the students and the faculty," our Student Council is still going strong and is the only form of self-government in the school.

Student Council determines what activities count toward an honor key and the number of points each activity carries, also the scholarship that must be obtained each marking period for a pupil to be on the honor roll. It compiles a school calendar and thus regulates the social activities. Another duty is to recommend and establish clubs of high standard in the school.

Some of the activities during the year were: the promotion of the sale of war bonds and stamps in the school, the planning of assembly programs, the landscaping of the front lawn of our school building, the presenting of a flag to the school, keeping the appearance of the school attractive, sponsoring drives for the Tuberculosis Society, Red Cross, and other welfare organizations, and the sponsoring of several dances and a minstrel show.

The following were chairmen of committees: Grace Corson, Civic and Social Affairs; Dale Smith, Activities; Janet Sheets, Assembly; Delphine Trick, Service and Etiquette; Robert Webster, Scholarship.

Officers elected for 1945-46 were: President, Pauline Ritter; vice-president, Bill Hill; secretary, Audrey Rhinard; treasurer, Emma Harding.

Faculty advisers were: Miss Corle, Mr. Creveling, and Mr. Ashkar.

FRESHMAN CLASS

We entered Hughesville High School September 8, 1942, as timid freshmen with a grand total of seventy-one pupils to start our high school career.

Early in the year we elected class officers in Mr. Creveling's room. Those elected were as follows: president, Luther Gardner; vice president, Eugene Glidewell; secretary-treasurer, Thelma Sones.

Our one social event of the year was a Christmas party held at the home of Irma Wishard, but we all participated in whatever activities the school provided.

Our class advisers were Mr. Ashkar and Mr. Creveling.

SOPHOMORE CLASS

One more step up the ladder we came as "Silly Sophs" September 8, 1943.

More familiar with the laws and ways of the school, we enrolled as a class of sixty-one pupils. The first great thing for us to accomplish was the election of class officers: president, Helen McCarty; vice president, William Hill; secretary, Thelma Sones; and treasurer, June Oliver.

We had two parties—the first, a roller skating party and weiner roast at Trout Ponds Park. While we walked down and back we sang songs and every one had an enjoyable time. Our next and last was a Christmas party held in Mellen's Social Hall.

Class advisers were Miss McGeehan and Mr. Kelsey.

JUNIOR CLASS

The class of '46 under the title of "Jolly Juniors", started the term with an enrollment of fifty-nine pupils with Mrs. Waters and Miss Roan as faculty advisers. After a brief check-up we discovered that we had lost seven pupils.

In a few days class officers were elected. With Harold Akers as our president; Audrey Rhinard, vice-president; Helen McCarty, secretary; and June Oliver, treasurer; we looked forward to a successful year.

Our first event was a weiner roast and skating party at Trout Ponds Park. In November we ordered our class rings, and they were received during the summer vacation.

A Christmas party held in the auditorium was our next social event and later came "Mammy's Lil' Wild Rose", our class play, which was a great success financially and otherwise.

Last, but not least, was our Prom held May 25, in the auditorium. Two things distinguished this from former Junior-Senior Proms—the May Pole Dance at intermission and the fact that we had a clear sky, the first time for many years on the day of the Prom.

We left school this year with high hopes of making our last year in Hughesville High the best year.

SENIOR CLASS

We enrolled fifty-one strong in the Senior year, eager to begin the last lap of our school career. Miss Roan and Mrs. Plotts were our faculty advisers. Our first class meeting was held September 6, and the following officers were elected: president, Helen McCorty; vice-president, Pauline Ritter; secretary, Emma Brungard; treasurer, June Oliver.

The first social event of the year was a combined weiner roast and scavenger hunt October 4, at Collins Houseknecht's home. Next was a Christmas party held in the auditorium, December 21.

Early in the year we chose as class colors, navy blue and fuchsia, and class flower, fuchsia rose. "Not the End, but the Beginning" was chosen as our motto.

Our class play, "Peter, Beware!" presented November 15 and 16, proved a great success.

We all took part in our Class Night Exercises May 17, after which everyone received his Yearbook. Commencement Exercises, May 31, marked our last meeting, and we bade good-bye to Hughesville High School.

"Day After Tomorrow"

June 1, 1966

Dear Friends,

So many of you have asked us what all the members of the class of 1946 are doing that we decided to write this letter to you. From all last reports this is what we found out:

Through these years Grace Corson has worked herself up to the position of Mr. Mellen's private secretary. June Crist has finally settled down with all the little Smith farmers around. Lucille Doane is still attending the dances at Judd's in hopes of getting a permanent partner. We find that Eleanor Gordner spends her summers in New York pulling weeds. Ruth May's sailor soon became tired of Navy life, and she is very happy with the part she plays in keeping up the farm. Remember back in 1946 when Leo married a Geisha girl? We have just heard that June Oliver's heart is now on the mend. Audrey Rhinard is still in love with Harold, but is putting in her time teaching because they are both too bashful to get together. This is a big day for Ethel Wallis. She has just gotten a one cent raise at the Hughesville Textile Mills. Thelma Sones, after trying out several others, has decided that George is the one and is all set for the wedding. True to her promise, Phyllis Snyder hasn't changed her name because she married a Snyder; still she can't seem to forget Calvin. Emma Brungard, who said she was too tall to be romantic, has turned several proposals aside and is now President of the Grange National Bank. Although Helen McCarty professed to be a man-hater during her school days, she is performing the role of secretary and wife to Hughesville's number one brain specialist. Helen Whitenight has a big pull, in fact, many in Unityville, as she is life partner in a trucking business. Georgine Eichenlaub became such a skilled cheerleader that she is now traveling with the Sonestown basketball team as head cheerleader. Norma Bradley doesn't know that her sailor was discharged twenty years ago, and she is still waiting for a letter from him. Florence Derrick has taken her art work very seriously. She is married to the principal of Picture Rocks High School and is teaching art on the side. On Muncy Creek we find a fishing boat by the name of Hagerman where Mary Fought is living a happy life. Carlene Gray's man-hunt has ended and she is now the Mrs. Lt. Lunsfar. Three days a week of Pauline Gray's busy life are taken up doing the family wash. Irma Herr has reached the top of the ladder and is head waitress at The Lakeside, Eaglesmere. Florence and Margaret Kitzmiller are teaching a Home Economics Course in Unityville, strictly for men. Doris Houseknecht wasted no time in getting married, and she and Don will observe their twentieth wedding anniversary this month. Joyce Lassinger is too busy taking care of her twins to sit on the front step these days. The leading ladies of Hughesville spend their leisure time at Anna McBride's beauty shoppe discussing the latest news. Betty Mummey is head nurse at Chippewa Hospital—the largest in Lycoming County. Pauline Ritter, who made her fortune in the candy business, lives in a mansion on Broad Street. Betty Bigger has been running competition with Bette Davis for the last few years and is now Hollywood's most popular actress. After twenty years of life as an old maid, Dorothy Rogers has decided that it isn't so pleasant and is preparing for a big wedding. Mary Shaner went into the nursing profession. She is night superintendent at Danville's famous hospital. Mary Alice Springer has never forgotten her school girl crush on Fos and takes a daily walk to Bryantown. Fern Taylor has set up business as a "Parson". Calvin Diltz has a school in Lairdsville where he teaches his students how to act in High School. Russell Dugan has a chain of Dugan's General Stores and his headquarters are in Lairdsville. James Figels runs a taxi from Broad to Main Street and has the honor of taking Mr. Schaefer to and from school each day. Eugene Glidewell has taken to the screen and is a famous actor. Ann Whittier has just given Bill Hill his final lesson in horseback riding. Robert Hall is principal of the Villa Grove School. Collins Houseknecht is still a bachelor but he really has gone places. He is janitor at the White House in Washington, D. C. Since 1946 Dean Houseknecht has outgrown his bashful nature and is leading a merry life, making up for lost time. Richard McClain is vocalist for the A&P weekly radio program. Jim Fought has finally graduated and the draft board, after waiting all this time, has nabbed him. Bill Odell liked the part he played in the Jr. Class Play so well that he is living in the mountains—but as a hermit. Fred Schenck has become the world's foremost auctioneer because he can talk so long without running out of wind. True to all expectations, Charles Smith is teaching the little Smith's the proper methods of farming. Charles Woodside has lost all his bashfulness and is Biggertown's number one playboy. Bob Edkin put to use his year of military training and after twenty years in the army, has the proud rank of Pfc. Bob Webster took the Senior Class Play to heart and is now in Mexico digging up Indian relics.

Now that we have told you about all the members of the "Class of 46" we will say Goodbye and Good Luck.

Yours truly,

"The Weird Sisters"

"Yours"

We, the members of the Senior Class of Hughesville High School, Hughesville, Pennsylvania, being of sound mind and body, do declare this our last Will and Testament.

We do hereby appoint as executors of this, our last Will and Testament, the officers of the Class of 1947, with the full understanding that all the aforesaid desires and requests will be faithfully carried out. In witness whereof, we, the Senior Class of the Hughesville High School, do hereto set our hands and seal this first day of June, Nineteen Hundred and Forty-Six.

The Class of Nineteen Hundred and Forty-Six

Memories of Hughesville High School

(Tune: "It's Been a Long, Long Time")

Take one look
At every nook
So you'll remember how
You loved these halls.

Remember fun
The things we've done
The friendships that we've known
When sadness calls.

And if the tears of gloom seem lost in reveries,
Just open up your book of memories,
And live again the moments when—
In '46 we loved
The dear old Hughesville High.

Mary Fought

"Our Class"

Have you heard of the class so jolly and gay,
The class with a promise for the future day,
The class, wide-awake and full of tricks?
Then you've heard of the class of '46.

On the threshold of life we now stand
Just twelve years after our school days began.
We know our battle is not yet won;
We realize, of course, that it's just begun.

The friends we met in school each year
We'll always remember, always hold dear.
To our teachers, parents and directors, too,
We wish to extend a hearty Thank-you.

Though our school days are past and gone,
We know our class will struggle on.
It's not like winning in the final inning,
For we're not finishing; we're just beginning.

We've loved the years we've spent in school;
We treasure their memories more than a jewel.
Though the time has come to say adieu,
Still to Hughesville High we'll ever be true.

Monarch Staff

Last fall the staff published its first Monarch which was a great success. Each number showed improvement and with the February issue in the hands of the students, the staff felt it had completed a creditable piece of work.

Advisers and staff members, together with the three departments—English, under Miss Corle; Art, under Mrs. Fetter; Commercial, under Misses Roan and Kocher, endeavored to publish the kind of paper the student body desired.

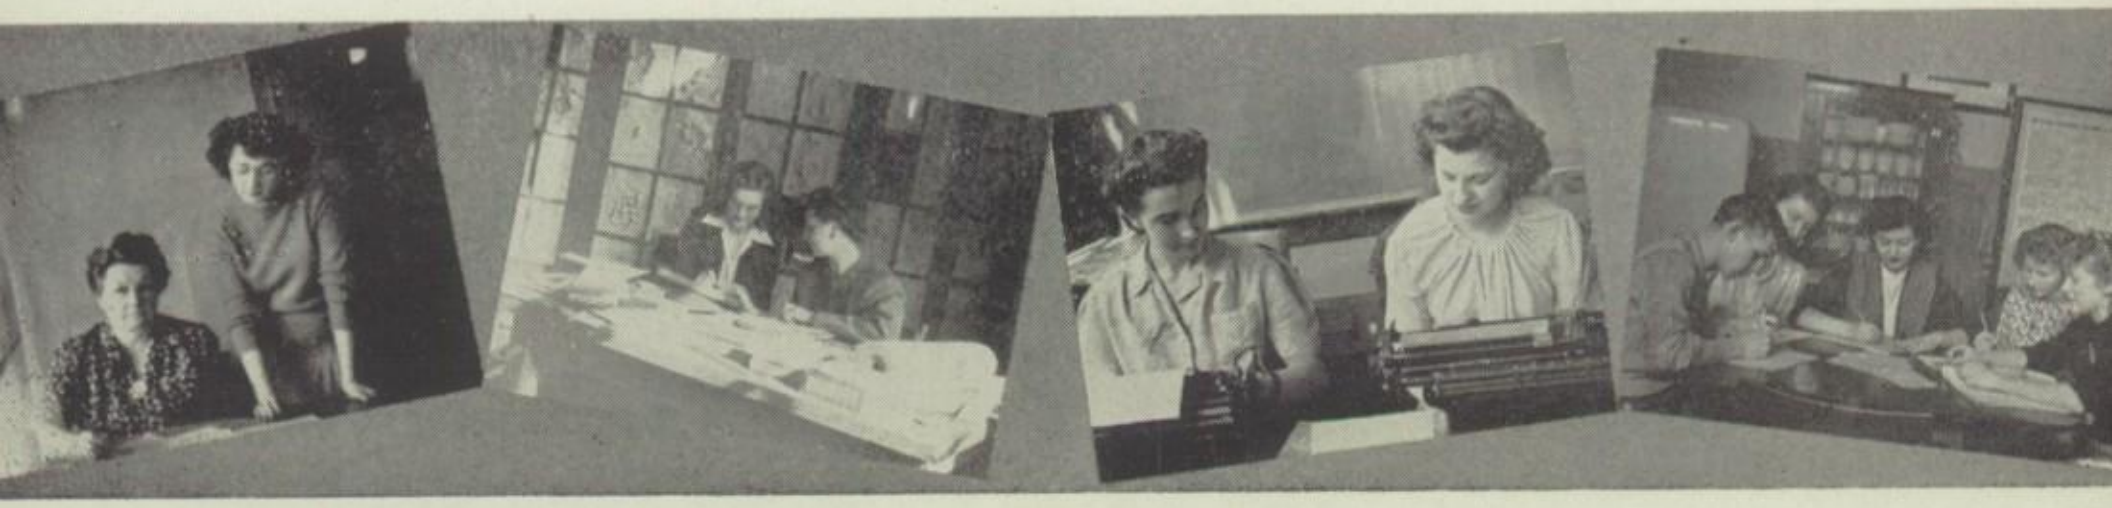
Yearbook Staff

The Yearbook Staff began its work early in the school term in order to get assignments in ahead of schedule. The entire Senior Class aided in the publication of the 1946 Monarch by serving on various committees, giving worth-while suggestions and aiding in compiling material.

Advertising and business managers worked diligently to back the Yearbook financially. Much credit must be given to the fifteen staff members for their splendid work.

Our special thanks go to the following advisers for their assistance in making our yearbook possible:

Mrs. Plotts, for correcting all material and acting as financial adviser; Mrs. Fetter, for planning and supervising all the drawings; Mr. Creveling, for taking many of the pictures used throughout our book; and Miss Roan and Miss Kocher, for supervising the typing of all copy.



Athletic Association

"THE TWO HUNDRED CLUB"

Attending basketball games, cheering for the Greenies, promoting good sportsmanship, financing all athletic activities and presenting well earned awards, the Athletic Association backed up our sports in a very enthusiastic manner.

Basketball received most consideration through loyal attendance at games both home and away. Good sportsmanship and well-directed cheering led by cheerleaders selected by the association were always in evidence.

Intramural basketball was an important part of our program. It afforded active participation by many pupils in all grades since these games were generally played during lunch hour.

This term we sponsored a wrestling program which we hope will develop a fuliy manned and talented team worthy of representing Hughesville High School on the mat.

With the presentation of awards to each deserving athletic participant, the Athletic Association closed a very active year.

"PRAYER OF A SPORTSMAN"

Dear Lord, in the battle that goes on through life,
I ask but a field that is fair;
A chance that is equal with all in the strife,
A courage to strive and to dare.
If I should win, let it be by the code
With my faith and my honor held high;
If I should lose, let me stand by the road
And cheer as the winners go by.

Home Economics

Learning to be a worthy home member is basic in the education of all boys and girls. Home Economics aims to develop abilities and appreciations fundamental to this type of learning. Social relationships in the home, school, and community; food for maximum health; clothing to accent personality; housing for comfort and efficiency are important phases of home economics training.

Home Economics girls aim to be hospitable, resourceful, healthy, thrifty, helpful, thoughtful, and neatly and orderly poised. They are clean in word, thought and deed; honest, loyal and homeloving.

School lunch has been our biggest contribution to school welfare and represents personal cooperation by each member of the department.

Chemistry

Many seniors of the Class of 1945-46 were enrolled in the Chemistry Department. The class under the instructions of Mr. Creveling worked and enjoyed many interesting demonstrations and experiments dealing with such fields as : Cosmetics, Soap Making, Household Chemicals, Textiles, Inks, Dyes and Stains, Antifreezes, Plastics and many others.

Commercial Art

Under the guidance of Mrs. Fetter, the Commercial Art Students completed many interesting projects during the year.

The course was planned to give an introduction to the history and psychology of Commercial Art and to acquaint the students with the Art Principles.

With this background, the young artists created designs for posters, billboards, trademarks, and other advertising projects, and produced a complete book, using various mediums and techniques in illustrating it.

To add a personal interest during the Christmas Season, the students made a number of craft articles which they used for gifts.

Commercial Department

In this department we find our future business personnel; such as, secretaries, stenographers, typists, bookkeepers, salesmen, executives, etc.

It is the aim of the department to train students to keep a receptive mind to the opportunities offered in the business world and to develop appreciation of the relationship between business and the community.

During the past year the students typed and mimeographed various programs and tests, and the four issues of the school paper.

"Give Me the Simple Life"

The Future Farmers of America

Hughesville Chapter is a practical organization. The designation "dirt farmer" as formerly often applied has long since been bypassed. The modern farm boy must be mechanically minded. The wear obtained from machinery depends upon proper care and repair. The progressive F.F.A. student is ever mindful of this fact and is alert to use the facilities of the F.F.A. shop where tools and other materials are available for repairing farm machinery.

Mr. Cletus Merrell was the adviser of the local chapter this year and the officers were: president, Jay Stugard; vice president, Dean Houseknecht; secretary, Lester Poust; treasurer, James Figels; reporter, Allan Stugard; chaplain, Charles Woodside.

Samuel Reed, class of '45, was awarded the State, or Keystone, degree during the 1945-46 term. He was the first student of Hughesville High School to win this distinction.

Vocational Agriculture

Vocational Agriculture is the beginning of an organized attempt to introduce the world's most basic industry into the schools. Special fields of study are planned to meet the needs of students in any given area. They usually are grouped as follows: 1. field crops, 2. general livestock, 3. vegetable crops, 4. poultry, 5. fruit growing, 6. dairying, 7. animal husbandry.

Thirty-six boys were enrolled in Vocational Agriculture for 1945-46, representing an increase of more than one hundred per cent over last year's enrollment. A climaxing feature of each student's work during the year was the home project. In this he was supervised with the expectation that he would make practical application of the principles learned in school.

Good Luck to a Good Girl

Don

American Patrol

Boy Scouts 1945-1946

The Boy Scouts of Troop 26 enjoyed a week's camping at Camp Kline during the summer. The Troop Committee made it possible for each boy to enter camp with full expenses paid for the week. At camp the boys passed many tests and as a result of these, five scouts were awarded the Star Award at the Court of Honor held in Williamsport last fall. Troop 26 also passed the Annual Red Star Inspection for the yecr 1945. Another activity included a Swimming Meet held at the Y.M.C.A. in Williamsport. The Scouts enjoyed swimming at the Y.M.C.A. during the winter and received instruction in Life Saving. Plans for the year 1946 are a week in summer camp for every scout and rapid advancement toward Eagle.

Girl Scouts

More than fifty girls belong to the Girl Scout organizations in Hughesville. Those from seven to ten are in the Brownie Pack under the supervision of Marion Houseknecht with Mary Alice Springer assisting. There are two intermediate troops—Troop 21 led by Doris Hess with Jeanne Odell assisting, and Troop 43 led by Thelma McConnell. A senior scout troop recently has been reorganized.

Scout activities include social affairs, hikes, cook outs, and camping trips.

During the past year the scouts collected waste paper and fats and sold poppies and white canes.

The Girl Scouts are ready and willing at all times to serve school, community and nation.

Orchestra

The Orchestra with its young talent steadily improved. There were seventeen members, several of them being able to play more than one instrument.

Chorus

This year's chorus was divided into two groups, a boys' glee club consisting of eighteen members and a girls' glee club consisting of fifty members. Both groups perfected some of the best choral selections.

From the chorus individuals and groups were chosen to take part in various school activities.

Joyce Lassinger represented our high school at a District Chorus held at Tyrone, Pennsylvania and at the All-State Chorus at Reading, Pennsylvania.

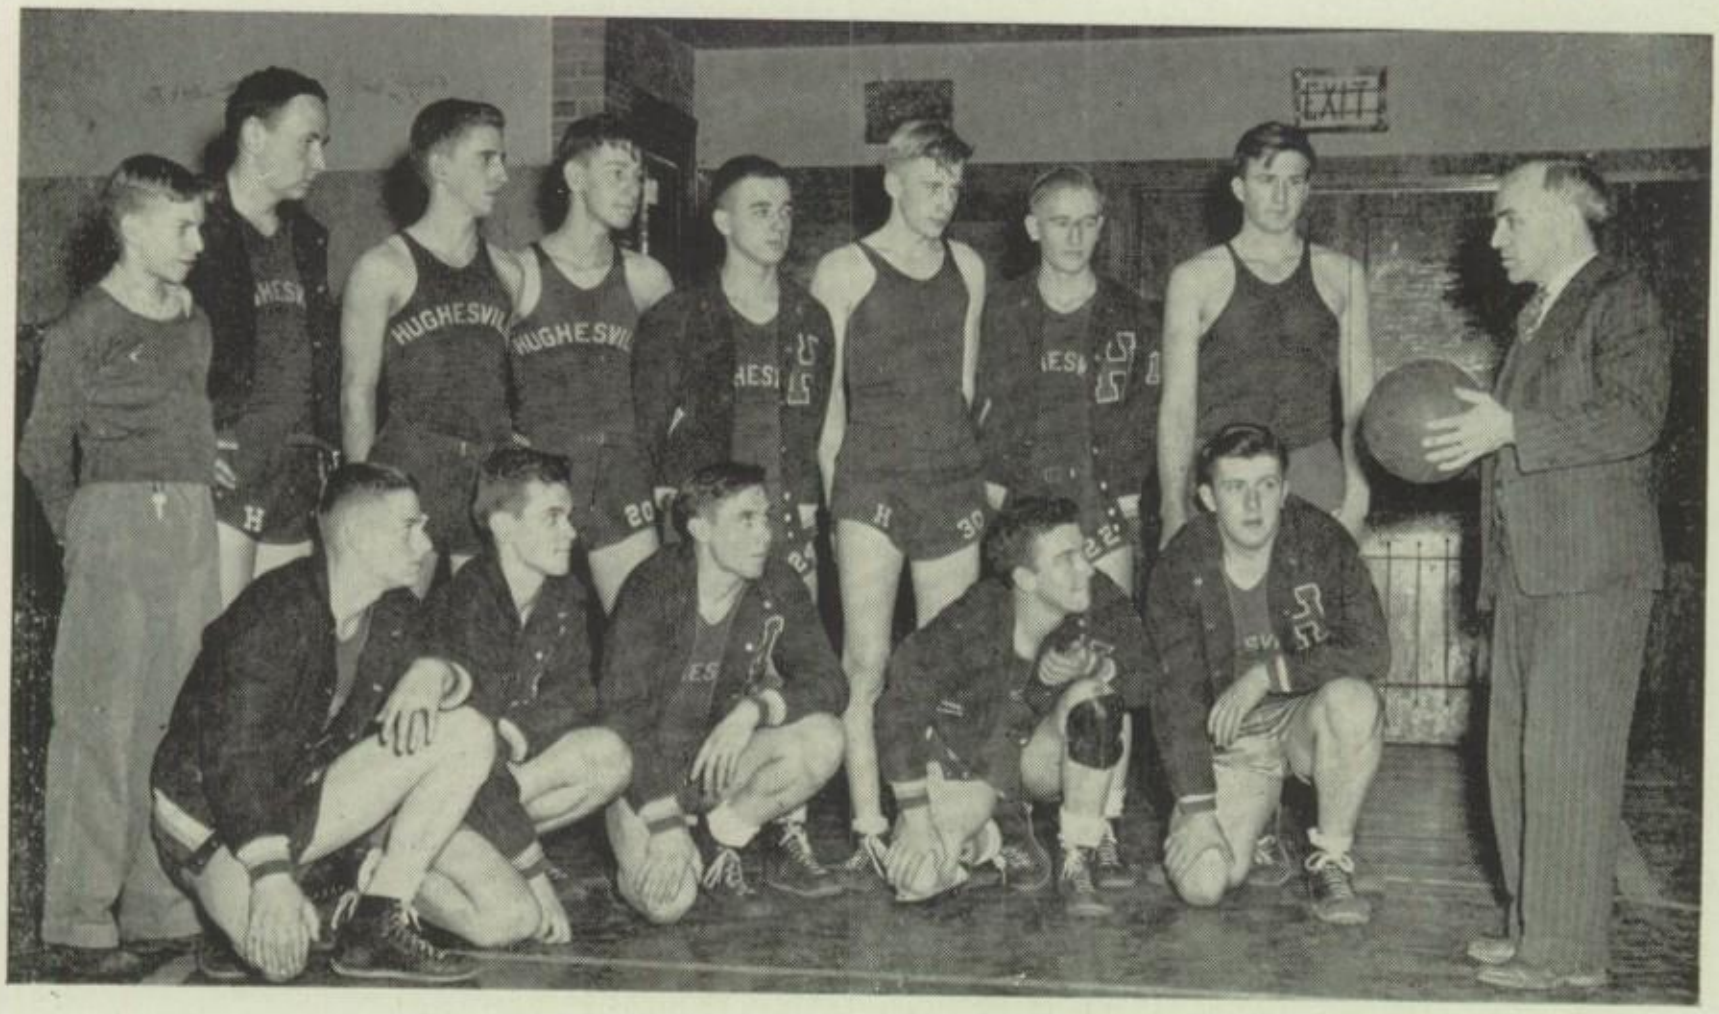
"Take Me Out to the Ballgame"



We finished a very successful season winning eleven games and losing three in West Branch League competition. The first half ended in a tie with Montgomery for first place with six wins and one loss. During the second half we lost two games, one each to Montgomery and Ralston. In the playoff for the first half with Montgomery at the end of the season we lost to Montgomery.

McClain and Fought were high scorers for the season. They, along with Schenck and Edkin, will be lost to the squad by graduation this year.

"Not So Quiet, Please"

Cheerleaders elected for the year '45 and '46 were Virginia Hopkins and Jane Houseknecht. With Carlene Gray, Bill Hill, and Georgine Eichenlaub still in the line up from last term, we had a total of five lively noise leaders.

Whether at home or away, Hughesville High School was always represented by the cheerleaders. Some new yells were worked out during the year and many old ones revised. No one will ever forget "Zigga-ta-Boom" and "Boom-a-lacka." They surely did give the team encouragement and pep and showed off the never-dying fighting spirit of old Hughesville High.

Carlene, Bill and Georgine cheered their last game for Hughesville High, February 22, leaving Virginia and Jane to look forward to another successful cheerleading season.

We, the cheerleaders, wish to thank the student body for their cooperation both in pep meetings and at the games. We were proud to serve our school.

Good luck, cheerleaders of 1946-47.

Alma Mater

(Tune: "Annie Lisle"—Cornell Song)

We all love the Hughesville High School
It's the best we agree
And to our dear Alma Mater
Pledge our Loyalty.

We will chant her praises ever
Let the chorus ring.
And a tribute to her memory
We will gladly bring.

CHORUS

Loyal e'er we'll be Hughesville
And our best we'll do
For our dear old Alma Mater
The Orange and the Blue.

Appreciation

We wish to express our appreciation to the following for their cooperation in making our Yearbook possible:

Mrs. Plotts ..... our adviser

Mr. Schaefer ..... our principal
